

Congratulations to the Hampton Cove Elementary PTA 2020-2021 Reflections Art Program award recipients!

We received over 40 entries this year and were amazed and inspired by the creativity of our students. Thank you to all participating students for your works that truly showcased this year's theme of "I Matter Because..."

First and Second Place entries were advanced to the Huntsville Council of PTAs round of judging. We invite you to view the award-winning works of art using the provided links and to be inspired to help make every child's potential a reality.
